Reasons living on campus is the way to go

- Campus is your oyster
 - > There's 30+ ways to get involved on campus. You name it — Greek life, athletics, performing arts — we have it. Living on campus means it's that much easier to attend practices, games and late-night social events.
- All the big amenities are taken care of
 - > Gas, electricity, wifi, water, trash...you won't sweat trying to manage your budget and pay bills. Laundry facilities are also free for on-campus students.
- Start your mornings on campus
 - > It's easier to wake up and walk to class than driving to class in traffic and finding parking.

Residence Hall Events

Your Doane ResLife staff and Hall Councils provide in-hall programming throughout the year. These events, called Tiger Tap-Ins, are fun ways to get together with your floormates. Tap-Ins are anything from a themed movie night to a foosball competition and are free for all residents to participate in.

Once a month, all of campus is invited to join the ResLife staff for Midnight Munchies, a chance to grab a late-night meal or snack catered by our dining partner Fresh Ideas. We also host Orange Fridays outside the Student Affairs office once a month — come by in your Doane gear to grab free food and spin our prize wheel!

Residence Hall Descriptions

*Computer labs and printers
are in all residence halls,
except for Brodie!*

Smith Hall

- First-year students
- Built in 1929 and originally known as Men's Hall, Smith Hall was renamed in 1977 to honor Charles C. Smith, class of 1887, trustee and generous benefactor of the university. Its design mirrors Frees Hall
- Unique amenities:
 - > Gaming room, lounge areas
 - > Outdoor courtyard with a fireplace and grill directly near the indoor, full-sized kitchen
 - > Outdoor basketball court

Frees Hall

- Upperclass students, medical singles (students can put themselves on a waitlist to buy out singles if there are any available after medical needs have been met)
- Built in 1931 as a tribute to Mr. & Mrs. Benjamin Frees, its design mirrors Smith Hall and blends studying and socializing spaces for the perfect community hub.
- Unique amenities:
 - > Tiered indoor theater perfect for movie nights
 - > Outdoor grill
 - > Game room including pool table

Sheldon Hall

- First-year students
- Built in 1970 and named in honor of Margaret Thompson Sheldon, a trailblazer and the first woman on Doane University's Board of Trustees, the first Dean of Women and a professor of English.
- Unique amenities:
 - > Back patio that overlooks Doane Lake
 - > Exterior gathering space with fireplace
 - > Indoor classroom and music practice room

Hansen Hall

- All students, first-year students of Directions Leadership Program
- Built-in 2000 and named in honor of the late Zenon C.R. Hansen, former CEO of Mack Trucks, Hansen Leadership Hall proudly houses Doane's Leadership and Honors Students
- Unique amenities:
 - > Suite-style living varying in size and layout
 - > Piano, TV, ping pong table, and foosball table in the main floor lounge
 - > Newly renovated kitchen (January 2024) available for all residents
 - > Classroom and third-floor lounge for yoga and meditation

Brodie Hall

- Upperclass students
- Our newest hall opened in January 2024 and is named after C. Donald Brodie, who served on the Doane Board of Trustees.
- Unique amenities:
 - > Suite-style living that offers 4-, 6- and 8-person suites
 - > Fully equipped kitchen, game room and lounge open to all residents

DECORATING

When decorating your room or suite, the main thing to keep in mind is potential damage and fire safety. We want your space to reflect you, within the following guidelines:

- Only use Command Strips to hang items (don't use nails, tape or tacks)
- Door decorating:
 - > Peepholes must remain uncovered
 - > Items cannot protrude past the door frame
- No live trees (small plants are allowed, such as succulents)
- No halogen bulbs
- No spray-on decorations, such as spray-on snow
- LED lights are allowed, but must be hung with command strips only, not the adhesive they come with

Skip the packing! Order college must-haves ahead of time with our partner SWAKU. They can deliver everything to our campus or you home.

Community advisors are like an older sibling — they know the way, and they want you to have fun all while being safe. Every residence hall has live-in community advisors, usually a junior or senior at Doane.

They provide materials, resources and support to keep their residence hall community happy and healthy. And they'll be your first stop for questions or advice on personal, social and academic needs.

Let's meet a CA!

Rowan Jolkowski, class of 2025
Psychology major

Q What should incoming students know about living on campus?

It is very different from living at home but don't let that stop you from meeting the people on your floor.

Living in the res halls can be difficult at times but it shows you how to deal with practical, real-life issues. It builds character and community.

Q How can a student make their room feel like home?

Bring pictures from home and fully take up your space with things that make you feel comfortable.

Q What are perks of living on campus?

It's easier to connect with new people and you are more in the know of what's going on around campus.

We're here to help you

All students have access to the same support and resources. Living on campus means it's that much easier and quicker to meet with the staff who'll make your time at Doane safe, fun and special.

MENTAL HEALTH

Students have free, confidential and unlimited access to counseling services on our Crete campus.

Location: Padour Walker

HEALTH AND WELLNESS

Our on-campus nurse practitioner can diagnose, prescribe medications (including, free OTC medication) and provide services like allergy shots, immunizations and vaccines, as needed. Testing for influenza, COVID, mono and strep are no extra cost to the student.

Location: Perry Campus Center

SAFETY

The public safety office is open 24/7 and provides immediate support and action — whether you're locked out of the room or need help with a more serious situation or time of crisis.

Community Directors are live-in professional staff who support community advisors and residents in any and all areas needed. One community director is on duty 24/7 on a rotating basis.

Additionally, your room comes with safety equipment that must never be tampered with including smoke detectors and sprinkler systems. As a member of the Doane ResLife community, you also play an important role in maintaining the safety of our community:

- All entry and exit doors should remain closed at all times.
- Use your physical or digital Doane ID to access your specific building and do not allow others to follow you inside.
- Keep your room locked at all times and do not give your key to anyone else.

Location: Communications Building

CAMPUS ADVOCACY, PREVENTION AND EDUCATION PROJECT (CAPE)

CAPE promotes healthy communication, relationships and sexual behavior across campus and the community.

Their goal is to increase trauma-informed networks of support for survivors of interpersonal violence while decreasing incidents of sexual assault, dating/domestic violence, and stalking through prevention and education programs.

Location: Perry Campus Center

ACADEMIC SUCCESS CENTER (ASC)

The class and studying part of college can be hard. Our ASC staff helps students in all aspects, including note-taking, time management, goal-setting, preferred learning styles.

- Testing
 - > Students looking to improve their exam performance can request an exam analysis. Our staff helps students see why errors were made and then develops a study plan for the future. Our staff can also help students prepare for graduate or professional school entrance exams (e.g., GRE, PPST, CMEE, LSAT, GMAT, etc.).
- Writing
 - > Students at any stage in the writing process can receive input and help on their academic, professional or creative writing at our Writing Center.

Location: Communications Building

CAREER, LEADERSHIP AND SERVICE (CLS)

The CLS team works hands-on with students to set them up for success in internships, careers and service opportunities during and after their time at Doane. They help students navigate the job search, provide feedback on resumes and develop students into leaders who impact their communities.

Frequently Asked Questions

Q Do I have to live on campus?

Students are required to live on the Crete campus all four years unless they meet particular exception criteria that permit them to move off campus. Only the Office of Residential Life and Education can grant off-campus approval.

Q Is alcohol permitted in the residence halls?

Residents who are 21 or older can apply to have an alcohol-tolerant room if everyone in that room is of age. Upon approval from the Director of Health & Wellness, alcohol-tolerant rooms may have beer and wine. Hard liquor is never permitted on campus.

Q Does the university provide insurance for my property?

No. We urge each student to purchase some form of insurance, whether it be renter's insurance or a rider on their parent's homeowner's insurance. The University is not liable for theft, damage or loss of personal property from any part of the residence hall.

Q What if I don't get along with my roommates?

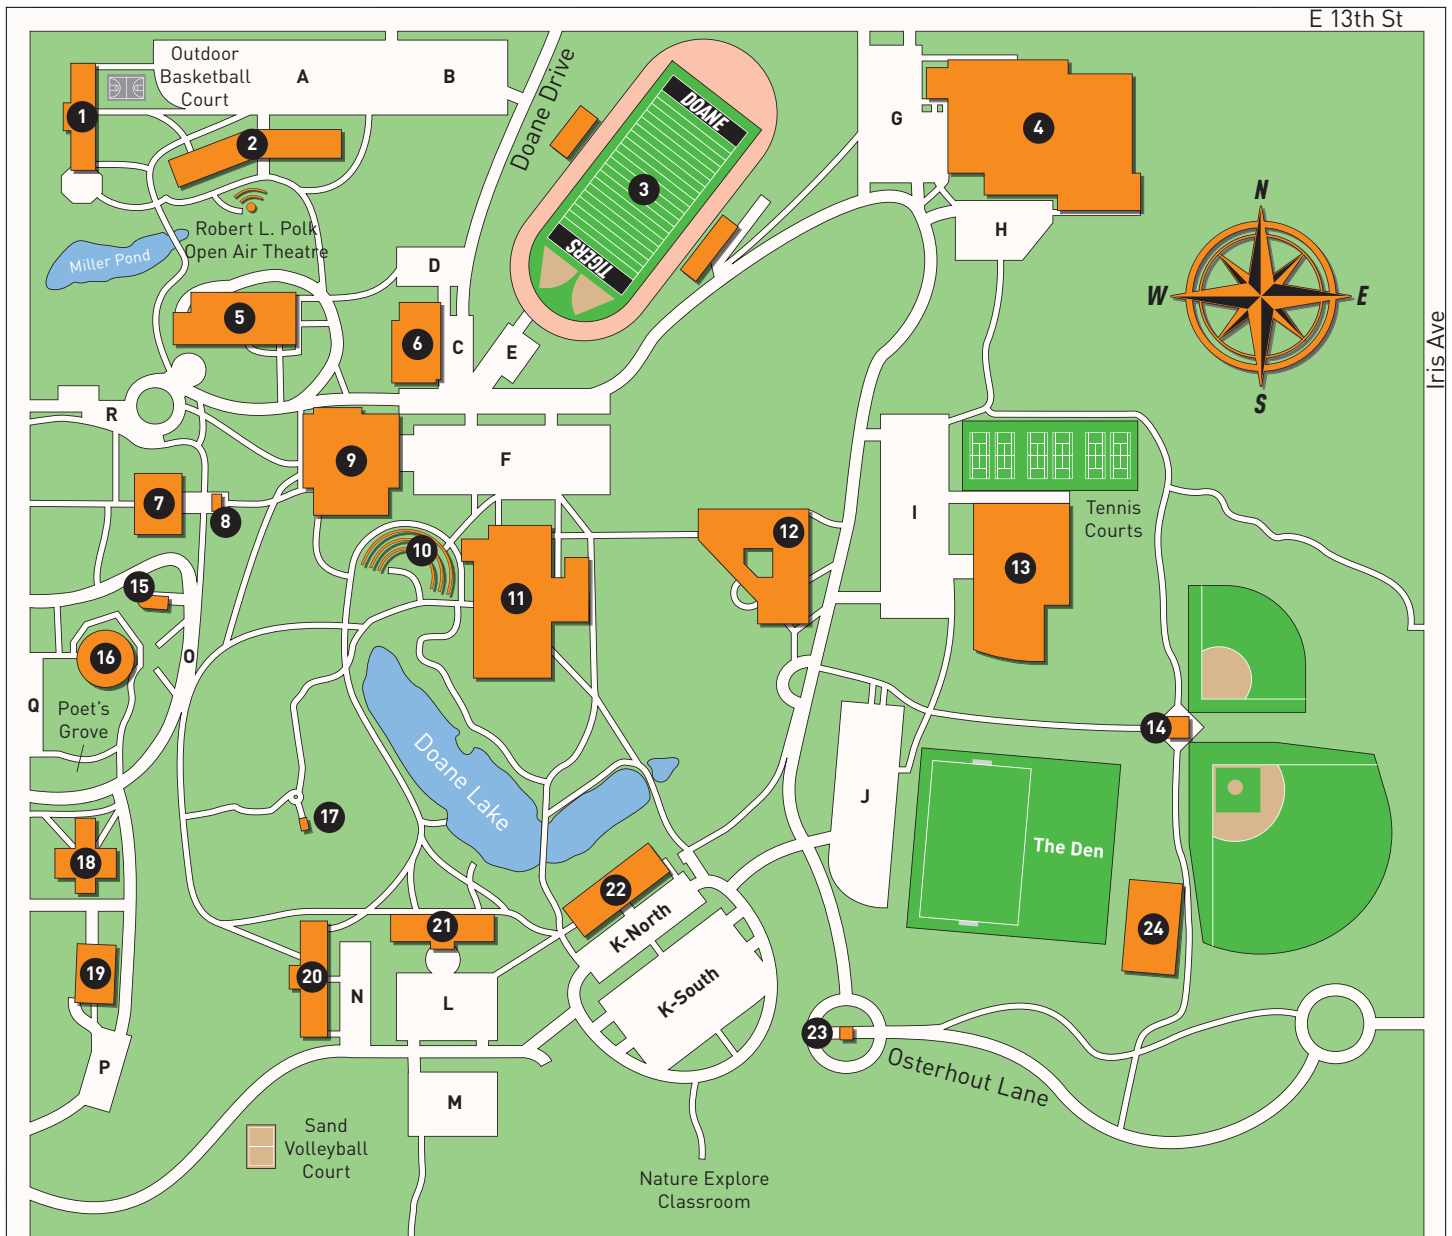

While we strive to make the best matches possible, sometimes conflicts will arise. Residential Life views conflict as a healthy part of development. If roommate conflicts arise, the Residential Life team will assist with a mediation process to help parties involved find a solution that works for them.

Q Can I stay on campus during a break?

The campus is closed for Thanksgiving, winter and spring Breaks. Requests for exceptions are reviewed for each break. The campus is open for fall break, but we do ask you to complete a registration form so we are aware of who will be sticking around.

Q Can I have a private room?

Private rooms are double rooms that are purchased at a higher price for one person to reside in. Private rooms are rare and are only available if space permits. First-year and new students are typically unable to have private rooms.
