

DOANE UNIVERSITY

Winter Commencement 2022

About Doane University

Founded in 1872 in Crete, Doane University is Nebraska's first and oldest private liberal arts and sciences college. Each year, more than 1,000 undergraduate students from around the nation and world are enrolled at Doane's residential Crete campus, which offers 33 majors and 34 minors.

Doane's non-residential programs in Lincoln, Omaha, and online provide a learning environment for adult students. The Lincoln campus was established in 1981, and the Omaha location in 2014. There are 8 undergraduate degrees, 12 minors, and 9 graduate degrees available.

Doane has received national recognition for its prestige as it was recently named a "Top National Liberal Arts College" by U.S. News & World Report several years in a row, and is listed among the "Best Midwestern Colleges" by The Princeton Review for 2021.

Doane's mission is to create distinctive educational experiences, rooted in the liberal arts, to prepare our students for careers and lives grounded in inquiry, ethics, and a commitment to lead and serve in the global community.

Many of today's graduates were recipients of scholarships made possible by the Doane Fund. Consider supporting the programs and students at Doane with a gift to the Doane Fund today.

The Doane University banner bears the seal created by Thomas Doane, Esq. and David Brainerd Perry, the first president of the college. The woman (science) trims the lamp of knowledge to light the book (Bible).

The star and cross are Christian symbols indicating Doane's Congregational heritage. Science faces west to signify westward movement of learning. The triangle denotes strength through three aspects of life: spiritual, physical, and intellectual.

Undergraduate banners represent foundational areas of study in the liberal arts and sciences tradition and the academic divisions of the university:
